## ELECTRONIC POWDER DISPENSERS

98944  
**CHARGEMASTER  
LINK™**  
POWDER DISPENSER

Built off of the rock-solid ChargeMaster Lite foundation with the addition of Bluetooth technology, allowing the ability to run the unit off the RCBS app.

98943  
**CHARGEMASTER  
SUPREME™**  
POWDER DISPENSER

The best ChargeMaster ever produced with proprietary powder learn process that optimizes the Supreme to the powder you are using making it the most efficient powder dispenser on the market.

98941  
**MATCHMASTER™**  
PRECISION POWDER DISPENSER

The MatchMaster combines speed and accuracy in one convenient unit. With the most accurate and precise loadcell we have ever used in a dispenser you can weigh down to a kernel of powder.
